Class Teacher – Mickle Trafford Village School

The Governors and Headteacher of Mickle Trafford Village School are seeking to appoint an enthusiastic, committed and highly motivated Class Teacher to join our happy, caring and inclusive school.

Mickle Trafford is a truly special village school, with a wonderful, supportive school community. We are fortunate to have enthusiastic, happy children who love learning and supportive parents who work in partnership with us. As a small village school, we pride ourselves on knowing every child as an individual and caring deeply about their happiness, wellbeing and success. We offer a warm, welcoming and nurturing environment where children and staff feel valued, supported and encouraged to thrive.

We are looking for a teacher who is passionate about ensuring that every child achieves their full potential and who has a strong understanding of how children learn and develop. The successful candidate will have high expectations for all pupils and a commitment to providing an engaging, nurturing and ambitious learning environment.

We are particularly interested in hearing from teachers with experience of:

- Teaching systematic synthetic phonics and developing children's early reading skills.
- Providing high-quality **Year 1 provision**, with a clear understanding of the transition from the Early Years Foundation Stage into Key Stage 1.
- Supporting children with **Special Educational Needs and Disabilities (SEND)**, including adapting teaching and learning to meet a range of individual needs.

- Embedding strong foundational skills in early reading, writing, mathematics and communication, ensuring children develop the knowledge, confidence and independence they need to succeed.
- Identifying gaps in learning and using effective assessment and targeted teaching to support progress for all pupils.

We are looking for someone who communicates effectively, works closely with colleagues and understands the importance of consistency, shared planning and a joined-up approach to children's learning and wellbeing.

Above all, we are looking for the right person to join our school community: someone who embraces our ethos, contributes positively to the wider life of the school and is committed to creating an environment where every child feels valued, supported and inspired to learn.

We welcome applications from experienced teachers and Early Career Teachers (ECTs), and are committed to supporting the professional development of colleagues at all stages of their teaching journey.

Visits to the school are warmly welcomed by prior arrangement with the school office on the following date:

Tuesday 1st December at 4:00pm.

The school is committed to safeguarding and promoting the welfare of all children. The successful candidate will be required to undertake an enhanced DBS check, and appropriate online searches will also be carried out as part of our safer recruitment process.
